☐ Transporter ☒ Other: Metal fabrication and painting

PRIORITY ASSESSMENT: ☐ HIGH ☐ MEDIUM ☒ NO FURTHER ACTION (NONE)

CLASS:

☐ I-STATE LEAD ☐ II-REM/FIT LEAD
State Accompanies

State Comments:

Quality Livestock Systems produces metal accessories (gates, troughs, etc.) for the livestock industry. A former employee complained that the company was dumping chemicals on-site. Indiana Department of Environmental Management staff found no evidence of chemical spills during an on-site inspection. No wells are known to be located near the site, and nearby residences are connected to the West Lafayette municipal water system. No further action is recommended for this site at this time.
